St Patrick's College, Dublin

Sole supplier of 1400 pieces of furniture

St Patrick's College is one of the oldest third-level educational institutions in Ireland and has enjoyed a leading position in the area of primary teacher education in Ireland since its foundation in 1875. Thedesignconcept were successful in tendering as sole supplier for all furniture within the college's new 'East Building'. We worked closely with the College's FF&E co-ordinator and senior library staff to select and specify nearly 1400 pieces of furniture. The installation was successfully completed in early 2015.
