WELCOME

TO NEW PRODUCTS AND BESTSELLERS

We are pleased to present a collection of new product launches and selected bestsellers designed to inspire and enhance modern library spaces.

This edition brings together innovative solutions and proven favourites for flexible, welcoming, and engaging environments for libraries and public spaces.

Alongside our Eurobib Direct product offering, we continue to combine furniture, interiors, and library expertise through our established brands BCI and Schulz Speyer, creating spaces that are both functional and inspiring.

Our approach to design is guided by sustainability, durability, and user well-being. From responsibly selected materials to long-lasting solutions, we focus on creating interiors that support everyday use while contributing to a better environment.

We believe that thoughtfully designed spaces can positively influence how people feel and interact. Through biophilic principles and considered interior design, we create environments that encourage calm, connection, and discovery.

Explore this collection and discover products designed to shape inspiring library experiences – today and for the future.

KEEP AN EYE ON THESE SYMBOLS IN THE CATALOGUE

FSC www.fsc.org FSC® C144988 The mark of responsible forestry

We are committed to increasing the share of sustainable raw wooden material in our products and thereby support responsible forestry – for a better world.

We have invested in a Chain-of-Custody Multi-site certificate (FSC™ C144988), which documents, that we can offer wood from well-managed forests and other controlled sources.

The FSC symbol is shown on the products, that are made from FSC-certified and other controlled material.

EU Ecolabel: DK/049/043

EU-Ecolabel considers the entire journey of the furniture and the overall impact from production to consumption and the environmental issues that arise along the way.
